Children?s outdoor wood furniture

Children?s outdoor wood furniture is one of our favorite categories to offer here at Outdoor Living Designs. We recognize that many grandparents enjoy watching their grandchildren grow up in the same backyard as their parents did and relive or make new lasting memories. Our children?s outdoor wood furniture is made with the highest quality materials so you can be assured that your children will be safe while enjoying their outdoor furniture. While we offer a complete line of high quality outdoor wood furniture, our most popular products include wooden porch gliders, porch swings, and potters benches. Our best selling porch gliders and porch swings are made from beautiful western red cedar. Most of our porch gliders and porch swings are available in 4 ft. and 5 ft. sizes.

We are also pleased to offer our customers different designs in our porch gliders and porch swings. We have designs that are traditional as well more contemporary. And, for those who prefer painted furniture, we also offer a beautiful line of porch gliders and porch swings in forest green or white.
