

Click here for Composition components matrix showing all the ingrediebts used along with Choline Bitartrate.

	Patent/Publication No.	Amino acids	Antioxidant.	Betaine	Carbohydrates / Sugars	Carotenoids	Energy Source / Enhancer	Electrolytes	Fatty Acids / A lipid Source
1	US20030082168A1								Conjugated linoleic acid
2	US20040005368A1								
3	US20040082536A1								
4	US20040191294A1								x
5	US20050171034A1	N-acetyl-cysteine	Alpha-lipoic acid	x					
6	US20050208191A1				x				
7	US20060121158A1		x						
8	US20060241077A1								
9	US20070065456A1		x						
10	US20070248696A1								
11	US20080317868A1						x		x
12	US4497800A				x				x
13	US4499076A	Essential amino acids			x				x
14	US4837219A	L-Tyrosine, L-Phenylalanime, L-Leucine							
15	US5215750A	L-glutamine							
16	US5437880A				Digestible saccharide	x			
17	US5626849A		x						gamma-linolenic acid
18	US5719133A	x			x				x
19	US5904948A				Maltodextrin				
20	WO1994015488A2		x		x		choline Bitartrate		
21	WO2005087018A1								

22	WO2006052231A1	leucine, isoleucine, valine and arginine.			x			x
