Rst Grand

[edit] History

Gint, first Grand NagusFerengi history reac??????hes back approximately 10,000 years, but much of their early history is limited to legend. The most significant events of early Ferengi history were the creation of the Ferengi Rules of Acquisition by Gint and the merging of business and political philosophies into the office of the Grand Nagus. (DS9: "Little Green Men", "Body Parts") ??????h After the evolution of their commerce-intensive society, the Ferengi purchased warp drive technology and began to expand their commercial interests in the galaxy. Even at this p??????hoint, however, the Ferengi were a mysterious race who were often only known through rumor. Due to their ambitious and covetous nature many Ferengi have shown a tendency not to identify themselves to species during a first encounter and to exploit of species' lack of knowledge about Ferengi philosophy and society. (ENT: "Acquisition"; VOY: "False Profits") ??????h Prior to 2151, the Ferengi came in contact with the Valakians. T'Pol was unfamiliar with the name "Ferengi." (ENT: "Dear Doctor")
